CONTRIBUTIONS**

**CONTRIBUTIONS OF
\$100 OR MORE**

When an individual gives the campaign a total of \$100 or more in the aggregate, that person's employer must be identified by name, city, state and the person's occupation must also be disclosed. Once an individual gives at least \$100, occupation and employer information will appear on every report showing additional contributions from the individual.

For all candidates – when an individual gives \$100 or more since the beginning of the campaign, show occupation and employer information.

For Single Election Political Committees (e.g., ballot issue committees) – when an individual gives \$100 or more since the beginning of the campaign, show occupation and employer.

For Continuing Political Committees (e.g., party committees & PACs) – when an individual gives \$100 or more since the beginning of the calendar year, show occupation and employer.

**PRIMARY/GENERAL
ELECTION**

Candidates for legislative or state executive office must specify in Part 2 of the C-3 form whether a contribution is designated for the primary or the general election. If a contribution is for the primary election, put a "X" in the PRI box; if it counts toward the contributor's general election limit, put an "X" in the GEN box. If one check is used to make both a primary and a general election contribution, use two separate contributor blocks - one each for the primary and general donations. See instruction manual for example.

Local and judicial office candidates, political committees and continuing political committees - primary and general election designations not required; disregard these boxes.

AGGREGATE TOTAL

The total put in the Aggregate Total column for each contributor will depend on who is filing the report. See below.

Legislative or State Executive Candidates: Show the total given for each election. If the contributor is giving a primary election contribution, the Aggregate Total figure is the total of that person's primary election contributions. If the GEN box is checked, the Aggregate Total is the contributor's general election total. (Only your campaign records and PDC's computer records will keep track of the grand total for both elections.)

Local and Judicial Candidates: Show the total given since the beginning of the campaign.

Political Committees Organized for One Election Only: Show the total given since the beginning of the campaign.

Continuing Political Committees: Show the total given since the beginning of the calendar year.

(a) Title of rule: (Describe Subject) Title 390 WAC -- Rules applying to Abbreviated and Mini reporting and changes in the dollar threshold at which campaigns report occupation and employer information.

(b) Statutory authority for adoption: RCW 42.17.370(1)

Statute being implemented: RCW 42.17.370(8)

(c) Summary: The proposed rule changes would repeal two rules, eliminate reference to PDC Form C-4abb, clarify the conditions for granting use of the new Mini reporting option, change the title of the rule concerning reporting options, increase the threshold for reporting occupation and employer information and make the necessary changes to PDC form C-3 to reflect the threshold change.

Reasons supporting proposal: The proposed amendments conform to rule changes eliminating the Abbreviated reporting option under WAC390-16-105 and instituting a campaign reporting system having only two options (Mini & Full) and relieve treasurers of the additional burden of obtaining occupation and employer information on individuals who contribute exactly \$100 in the aggregate.

(j) Short explanation of rule, its purpose, and anticipated effects:

The proposed rule changes would conform with amendments to WAC 390-16-105 which change the name of Abbreviated reporting to Mini reporting and adjusts the threshold for using the new Mini reporting option. The proposed rule changes would also increase the threshold for campaigns reporting an individual's occupation and employer name and address from \$100 or more to a threshold of more than \$100.

The proposed change from \$100 or more to a threshold of more than \$100 would relieve the burden on candidate and political committee treasurers from gathering additional information on individuals who contribute exactly \$100.
